

Introducing..... **Welcon**
Gold IT Support

Responsive Service, Experienced Staff, Value Solutions

*Welcon **Gold** Membership gives you peace of mind that your Information Technology Systems are always running at their full potential allowing your business to operate worry free.*

Your IT infrastructure is the essential backbone to your operations, Welcon Gold Membership ensures that you maximize the returns on your investment.

*As a preferred client, you are invited to take advantage of the benefits provided by the Welcon **Gold** Membership*

Membership Features:

- Free Telephone Support
- Guaranteed 4 hour response
- Discounted Service Rates
- Minimised Paperwork
- Quarterly Service Plan for all PC's
- Monthly Service Plan for Servers
- Bi-Annual System Review & Report
- Options Tailored to your needs
- Fixed Annual Fee

We understand that when your Computer System is down, your business is losing both time and money, which means that you need the problem resolved efficiently and quickly!

*Welcon **Gold** Membership is more than just responding to problems. It is all about **PREVENTING** these problems by conducting regular service checks on your system.*

With regular reporting on how your system meets the needs of your business you can budget for future upgrades and replacements before they become critical.

Welcon Gold Membership is all about keeping you in control of your IT Systems, giving you peace of mind.
